GENERAL PARKING TAX FILING INSTRUCTIONS

1. **Tax Rate - Act 44 (HB1828) of 2009 allows the tax to stay at the thirty seven and one half percent (37.5%) rate in 2010 and future years.** The rate of tax may be changed for any tax year by legislative actions of the Mayor and City Council. Therefore, it is advisable to check Section 253.02 of the Pittsburgh Code to determine the effective rate for the current tax year.
2. The City of Pittsburgh imposes a tax upon each parking transaction by a patron of a nonresidential parking place.
3. No operator shall begin or continue to conduct the operation of a nonresidential parking place without registering with the City Treasurer **412-255-2525** and obtaining an annual license with the Department of Permits, Licenses, and Inspections **412-255-2858** for each parking place.
4. Each operator shall maintain, separately, with respect to each parking place, the total amount of consideration received from all transactions, and the amount of tax collected on the basis of such consideration.
5. Operators shall collect the tax imposed by this ordinance and shall be liable to the City of Pittsburgh as agent thereof for payment to the City Treasurer.
6. Each operator, on forms prescribed by the Treasurer, shall file by the **(15th)** fifteenth day of each month, a return for the preceding month's collections, disclosing information as is required in the filing of the PT Form.
7. The PT Form requires the reporting of daily starting and finishing ticket numbers and the ticket colors.
8. **TOTAL GROSS COLLECTIONS (Line 6)**, should be the sum of each separate category, i.e., Day, Night, Event and Lease, and is to be reported on a daily basis on the reverse side of the PT Form.
9. **REFUNDS.** The City of Pittsburgh imposes the parking tax on the patron. The City of Pittsburgh will only issue refunds to the operator if the operator provides evidence that the parking tax was previously refunded to the patron(s).
